

The Phoebe Hall Knippling Outdoor Lab welcomes all Arlington families to the Open House. Come explore our 226 acres of mountain trails, meadows, streams, and pond. While at the Lab, your family can:

- Fish in the pond (cane poles & worms provided!)
- Paddle the boats
- Hike our trails (over 5 miles, various hiking abilities)
- Observe critters in our Nature Center (Maybe pet a snake?)
- Find a perfect spot for a family picnic! (Bring your lunch!)

To help manage visitors, we need families to pre-register through Eventbrite here:

- Please choose **EITHER** 10 am – 1 pm ticket **OR** 1 pm – 4 pm ticket (**NOT BOTH**) This will allow us to allow as many families as we can.
- Each ticket is for one carload. Please do **NOT** register for a ticket for each person in your car.
- Tickets are “**donate what you can online**” or “**FREE, I’ll donate later**” (The Outdoor Lab is owned by the non-profit Arlington Outdoor Education Association, a 501c3, tax exempt organization.)
- We will create a waitlist if needed, if your plans change and you don’t plan to come, please let us know.

For the safety of visitors:

- All visitors must sign in.
- NO Dogs allowed.
- Please leave only footsteps and take only pictures.

We look forward to seeing you!
