Teaching students how to develop and use their natural creativity to become problem-solvers.

**Odyssey of the Mind

NOVA EAST REGION 11

Coordinator Meeting September 28, 2022, 7PM

Campbell Elementary School

737 S Carlin Springs Rd, Arlington, VA 22204

The entrance to the school is Door 1 in the back of the school near the playground.

We will discuss what a coordinator does to get an Odyssey of the Mind program rolling at their school.

Take a look at the 2022-23 Long-Term Problem Synopses, and get excited about a more "normal" year in Odyssey of the Mind. The prospects look good for having in-person tournaments this year, and we're looking forward to seeing all the wonderful creativity IRL (in real life)!

We hope you'll get excited about forming teams and kicking off a new year in Odyssey of the Mind!

Please email Pamela.Clark@apsva.us if you are interested or have questions.
